## WHO ARE WE?

LearnWizz is on a mission to create an unique platform to redefine academic learning and elementary tutoring.

Through a personalised, one-on-one tutoring approach, we provide students develop their academic and associated skills that give youngsters the tools they need to face the challenges of the real world.

Our academic tutoring is strictly based on the guidelines of various boards including CBSE, ICSE, ISC and various state boards. Our skilled tutors are chosen through a screening process that ensures top-quality services for our students.

The LearnWizz app is created using AI technology that ensures our students have a 24x7 access to all the resources we provide. Guidance and support as well as grievances are timely catered via e-mails, calls and texts. All our services focus on the common goal: To improve the system of online education and home tutoring in India, at an affordable price for students of all age groups.

## WHAT WE DO?

**Daily updates:** Provision for daily lesson updates of students depending on course structures, topics covered; daily homework and assessment is provided and a track-record maintained for the benefit of the students and their guardians. Practice problems, assignments, mock-tests and evaluation: Curated by the tutors, based on the need of their students; with varying levels of difficulty, regular practice papers, collection of quizzes and timely mock-tests to keep students prepared for the academic challenges they are likely to face.

**Progress reports:** Guardians are provided with regular lesson updates and progress reports of their children, which makes it easier for them to be involved in their child's education and be aware of their strengths and weaknesses.

**24x7 Support:** Anytime, anywhere, if there is a problem or grievance, Team LearnWizz is ready to lend all possible assistance.

## WHY US?

The meticulous revival of technology combined with traditional values of our education system, making us a platform to bring a comprehensive learning experience to our students. A chance for young, budding teachers to have an experience of teaching young minds who may become the great minds of our future. Improving and reconstructing affordable online tutoring from the comfort of a home. Not just academic, but co-curricular activities so students can explore their own areas of interest. Personalised tutoring services, enabling to create a healthy teacher-student relationship.
